Dear Ginger:

The entire contribution we received on 11-13-95 from Marc Turteltaub is a joint contribution which needs to be recorded as Marc Turteltaub \$250 and Paula Turteltaub \$250. It is a joint account and they both signed the \$500 contribution.

Enclosed is a special Schedule A to show the reattribution. There are no changes in the totals of our report. Thank you.

Sincerely,

Patricia McKeon  
Assistant Treasurer
